

Lake Malone

LOCATION AND FACILITIES

Lake Malone is located in Muhlenberg, Todd, and Logan counties approximately 15 miles south of Greenville off State Highway 973. This lake, owned by the Kentucky Department of Fish and Wildlife Resources, was built in 1961 and opened to public fishing in 1963. Lake Malone State Park is located on the lake and has a camp ground, picnic area, beach and swimming area, a marina where boats may be rented and a concrete boat ramp and parking area. A private marina and boat ramp (a launching fee is charged) is also located on the lake.

THE FISHERY

Primary sport fish species are largemouth bass, bluegill, redear sunfish, and channel catfish. Additional species collected from the lake include green sunfish, warmouth, black bullhead, yellow bullhead, spotted gar, bowfin, grass pickerel, gizzard shad, spotted sucker, bluntnose minnow, blackstripe topminnow, trout-perch, pirate perch, logperch, and brook silverside.
